INFANT PROGRAM

We suggest that children wear their casual clothes (not their best clothes) to childcare as they will be using different art materials including paint, magic markers and glue.

Children learn through a variety of materials, some of them messy. We encourage the use of smocks to protect clothing; however, accidents do occur. Please remember; for your child, fun, involvement and getting messy are far more important than neatness!

We ask you to please bring the following items and leave them at the centre:

1. Two (2) Shirts/tops
2. Two (2) Undershirts
3. Two (2) Pairs of Pants
4. Two (2) Pairs of Socks
5. A Blanket for Sleep Time

Please label all of your child's clothing/belongings.

In addition, we require the following extra items for each season:

FALL	WINTER	SUMMER
Heavy Jacket	Snowsuit	Light Jacket
Mittens on Strings	Two (2) Pairs of Mittens on Strings	Sunscreen
Warm Hat (ie. Woollen)	Warm Hat (ie. Woollen)	Sun Hat

COMPLAINT PROCEDURES

For Parents/Guardians/Staff

A complaint is a concern that is expressed by an individual or group of individuals (eg. Neighbour, community person, school staff, public official, parent, child, etc.)

All comments and complaints must be taken seriously, investigated and a mutually satisfactory resolution attempted.

The person receiving the complaint should remain objective; try not to personalize the issue.

Allow the person making the complaint to express their concerns thoroughly, listen carefully to what is being said, be sure to ask for clarification to ensure the nature of the complaint is understood, advise the person/group that you need time to investigate and you will get back to them.

All issues or concerns regarding your child, should be directed to the child's teacher. If, in the event that the teacher is unable to rectify the situation, the centre supervisor will be notified.

If your issues or concerns are regarding a staff member or centre procedures, we ask that you direct your inquiry to the Supervisor.

If, in the event that your complaint is regarding the Supervisor, only at that time should a written letter be addressed to the Board of Directors.

If the issue is not resolved at the Board level, Toronto Children's Services should be informed of the complaint.

The centre supervisor or designate must fill out a Serious Occurrence Report. Attach relevant documents, and send copies to Toronto Children's Services.

All of the above procedures are being enforced immediately, please sign below in acknowledgment of the information and return to the supervisor.

Thank you,

Paula Smith
Supervisor

BEHAVIOUR MANAGEMENT POLICY

MONITORING

Behaviour management of all staff, students and volunteers will be monitored on an ongoing basis. A summary of observations including any concerns will be done every three months, the Supervisor may choose to use a check list or an anecdotal report. This will be reviewed as part of the performance appraisal.

As part of your contract with Boulton Avenue Childcare Centre, the centre reserves the right to withdraw service if it is believed that the particular needs of your child cannot be appropriately met. The decision for suspension and/or withdrawal will be based on the following types of incidents:

- Repeated physical acts against other children and/or staff (hitting, biting or any other form of physical threat or assault.)
- Verbal attacks on other children and/or staff, which includes the use of threats, as well as continual profane and degrading language.
- Racial incidents, including name-calling shall not be tolerated; a written procedure is in place for the handling of such incidents.
- A child who absents themselves from the centre and/or care of centre staff on or offsite.

We realize that occurrences and disputes will occur among children and it is not our intent to exclude children over normal developmental incidents that assist them in acquiring problem solving skills. However, as individual's needs vary in terms of environment and program, some children may not benefit from the program offered in this centre. We will make every effort to meet the needs of your child, which may require the assistance of an outside agency. If the behaviours still occur and it is still deemed that we are unable to meet the needs of your child, then they will be withdrawn from the centre, with approval from the Board of Directors.

SAFE ARRIVAL POLICY

This policy and procedure is mandated by the Ontario government and help support the arrival and dismissal of children receiving care at Boulton Avenue Childcare Centr

It is the duty of the parents to contact the staff via email, phone call or ClassDojo to confirm if their child/ren will be late or absent on any particular day.

For Parents: When a child is absent, or care instructions change:

1. When a child will not be attending child care PARENTS/GUARDIANS must:
 - Contact the centre by 10:30 a.m. Parents can email the centre at generalinfo@boultonchildcare.com or boultonavecc@bellnet.ca or call **416-463-7625**. The email or voice message must include:
 - 1) absent child's name
 - 2) date(s) of absence and
 - 3) reason for absence.

Voice mail and email is accessible 24 hours and will be checked daily.

Where a child has not arrived in care as expected

1. Where a child does not arrive at the child care centre and the parent/guardian has not communicated a change in drop-off (e.g., left a voice message, email or advised the closing staff at pick-up), the RECE in the classroom must:
 - Commence contacting the child's parent/guardian no later than 10:30 a.m. The RECE/Designate must initially email parents or guardians to confirm the child's absence, [“(child's name) is absent. Please reply to this email to confirm and state reason for absence by 12 p.m. today”] if no reply to this email is made by 12p.m.they must contact secondary contact listed on 'Individuals Permitted to Pick Up Child & Emergency Attendance Verification Contact' form.
 - **Note: Where a child regularly gets dropped off later than 11am., parents/guardians will be contacted no later than 12:00 p.m.**
 - Since the child's safety is the highest priority and the designated RECE is not able to reach the parents or guardian to confirm the child's absence, parents will be reminded of this policy. should it be a recurring concern (more than 2 unreported absences). Should there be a third reoccurrence of an unreported absence by the parent/guardian the centre may issue a notice of withdrawal to parents. Toronto Children's Services will be informed if applicable
